_No cost support for mental health at work

_If you experience anxiety, stress, depression or other mental health issues that affect you at work, Able Futures could give you nine months' personalised support from a mental health professional, at no cost to you.

“

I've had a one-to-one tailor made package of support. It's what I needed. The flexible approach is a real strength. There were times when I didn't feel up to a meeting but I could rearrange that or follow up with a telephone call.
